5655-U42 - IBM Hourglass V5.2

LICENSE INFORMATION

The Programs listed below are licensed under the following terms and conditions in addition to those of the International Program License Agreement.

Program Name: IBM Hourglass V5.2

Program Number: 5655-U42

Authorization for Use on Home/Portable Computer: You may not copy and use this Program on another computer without paying additional license fees.

Limited Use Rights for Other IBM Programs

If You acquired this Program as part of another IBM Program ("Principal Program that lists this Program under "Other IBM Programs," You received this Program only in support of the Principal Program and Your rights to use this Program will be limited by the license of the Principal Program. Please contact Your IBM Sales Representative if You wish to acquire a separate license to this Program not limited by the Principal Program's license terms.

Specified Operating Environment

The Program's specifications and specified operating environment information may be found in documentation accompanying the Program, if available, such as a read-me file, or other information published by IBM, such as an announcement letter. You agree that such documentation and other Program content may be supplied only in the English language.

Program-unique Terms

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. Program Name: IBM Optim Data Growth Solution for z/OS IBM Optim Data Growth Solution for z/OS - Open Data Manager IBM Optim Test Data Management Solution for z/OS IBM Optim Data Privacy Solution for z/OS IBM Optim Move for DB2 IBM Optim Move for DB2 Data Privacy Option IBM Optim Move for Legacy for z/OS IBM Optim Move for Legacy Data Privacy Option IBM Optim Access for DB2 IBM Optim Compare for Z/OS IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Open Data Manager IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Asset Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Payable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Receivable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Billing Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials General Ledger Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module

Canadian Country Extension IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Base Benefits Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Benefits Module Administration Add-on IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - Australia IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - France IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - Hong Kong IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - UK IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Recruit Workforce IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Time and Labor IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Supply Chain Management Inventory Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Supply Chain Management Order Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Project Costing Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Purchase Order Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Commitment Control Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll Base Edition IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - United States IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Administration Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Monitoring Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Development Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Organizational Development Module IBM Optim Test Data Management Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Privacy Solution for z/OS for PeopleSoft Enterprise IBM Data Ace IBM Hourglass IBM Version Merger Program Unique Terms ?MIPS? shall mean Millions of Instructions Per Second. The MIPS performance capacity of various machines will be as established by IBM at the time of Program license acquisition. "Additional MIP" means each single MIP beyond the Base Entitlement as set forth in a PoE. The "Base Entitlement" means a license entitlement to run the Program in conjunction with one or more machines or devices (including any form of use or access to the Program via shared devices, shared catalogs or networks) with a total aggregate processing capacity of up to the level set forth in a PoE. A. General Charge Terms. Your use of the Program may not exceed the level of use You have acquired, as indicated in Your PoE. If Your use of the Program exceeds the level indicated in Your PoE, You must notify Your IBM sales representative or IBM Business Partner and purchase an appropriate number of licenses. The Program is available for licensing in accordance with one of the following levels of use: MIPS Based License. You are authorized to use the Program only on all machines, including any form of use or access to the Program via shared devices, shared catalogs or networks, up to and not exceeding the total MIPS to which You are entitled. All the MIPS associated with each server, machine, and device (including shared catalogs and/or networks) containing or storing data accessible by or to the

Program will count toward the MIPS entitlement. Furthermore, any form of use or access via the Program to data or databases by any other means not specifically designated and contracted as part of the initial or subsequent total MIPS entitlement pricing calculations shall be deemed an upgrade to the number of contracted allowable MIPS for which You must pay and acquire additional entitlement. Use restriction /Application. If Your Program is designated as ?for? a specified Application (e.g. Peoplesoft Enterprise), You are authorized to use the Program solely and exclusively with the specified Application . Any use of the Program other than in conjunction with and in support of the specified Application (or any use beyond the scope of Your MIPS entitlement) will be deemed an upgrade for which You must pay and acquire additional entitlements. ***** A Program may be used only for, by and on Your behalf. Use of a Program shall be restricted to Your internal data processing requirements and shall not be used directly or indirectly on a time-sharing, remote job entry, or service bureau basis for the benefit of any third party. You have no right to use the Program for the benefit of any third party, in a manner inconsistent with the provisions of this Agreement, or for any use other than its intended purpose. Compliance Verification- During the term of this Agreement and for two years thereafter, IBM has the right to verify usage data and other information affecting the calculation of charges as well as the right to verify Your compliance with other terms of this Agreement and the PoE, at all sites and for all environments in which You install or use the Program(s). This shall be done during normal business hours and in a manner that minimizes disruption to your business. IBM may use an independent auditor for this.

许可信息

除 国际软件许可协议 中的条款和条件外，下列各程序按照下述条款和条件被特许使用。

程序名称: IBM Hourglass V5.2

程序号: 5655-U42

家用 / 便携式计算机上的使用授权: 如未交付附加许可费用，不得在其他机器上复制和使用本程序。

其他 IBM 程序的有限使用权利

如果您已作为另一个 IBM 程序（“主程序”）的一部分获得本程序，该主程序把本程序列在“其他 IBM 程序”下面，您仅为了支持主程序接收本程序，并且您使用本程序的权利将受主程序许可的限制。如果您希望获得的本程序单独许可不受主程序的许可条款的限制，请与您的 IBM 销售代表联系。

指定操作环境

有关本程序说明和指定操作环境的信息，可以在随本程序提供的文档例如说明文件中（如有）找到，也可通过 IBM 公布的其他信息，例如公告函件找到。您同意这类文档或其他程序内容可能仅以英语形式提供。

程序特别条款

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement.

LICENČNÍ INFORMACE

Níže uvedené programy jsou licencovány na základě následujících ustanovení a podmínek, které doplňují ustanovení a podmínky smlouvy Mezinárodní licenční smlouva pro programy.

Jméno programu: IBM Hourglass V5.2

Číslo programu: 5655-U42

Oprávnění k užívání na domácím/přenosném počítači: Tento program nesmíte kopírovat a používat na jiném počítači bez zaplacení dodatečných licenčních poplatků.

Práva na omezené užívání jiných programů IBM

Jestliže jste tento program zakoupili jako součást jiného programu IBM ("základní program, který tento program uvádí v oddílu "Jiné programy IBM"), získali jste tento program pouze pro účely podpory základního programu a Vaše práva na užívání tohoto programu jsou omezena licencí na základní program. Jestliže si chcete zakoupit samostatnou licenci na tento program, která není omezena licenčními podmínkami na základní program, obraťte se na obchodního zástupce IBM.

Určené provozní prostředí

Specifikace programu a informace o určeném operačním prostředí, jsou-li dostupné, jsou k dispozici v dokumentaci připojené k programu ve formě souboru Readme nebo v jiných informacích zveřejněných společností IBM, tedy například v nabídce. Vyjadřujete svůj souhlas s tím, že tato dokumentace a další informace týkající se programu mohou být uvedeny pouze v angličtině.

Podmínky specifické pro program

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. Program Name: IBM Optim Data Growth Solution for z/OS IBM Optim Data Growth Solution for z/OS - Open Data Manager IBM Optim Test Data Management Solution for z/OS IBM Optim Data Privacy Solution for z/OS IBM Optim Move for DB2 IBM Optim Move for DB2 Data Privacy Option IBM Optim Move for Legacy for z/OS IBM Optim Move for Legacy Data Privacy Option IBM Optim Access for DB2 IBM Optim Compare for Z/OS IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Open Data Manager IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Asset Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Payable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Receivable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Billing Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials General Ledger Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module Canadian Country Extension IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Base Benefits Module IBM Optim Data Growth Solution for z/OS for

You have no right to use the Program for the benefit of any third party, in a manner inconsistent with the provisions of this Agreement, or for any use other than its intended purpose. Compliance Verification- During the term of this Agreement and for two years thereafter, IBM has the right to verify usage data and other information affecting the calculation of charges as well as the right to verify Your compliance with other terms of this Agreement and the PoE, at all sites and for all environments in which You install or use the Program(s). This shall be done during normal business hours and in a manner that minimizes disruption to your business. IBM may use an independent auditor for this.

INFORMATIONS SUR LA LICENCE

Les dispositions suivantes s'ajoutent à celles contenues dans le document Conditions Internationales d'Utilisation de Logiciels IBM, pour l'utilisation des Logiciels indiqués ci-dessous.

Nom du Logiciel : IBM Hourglass V5.2

Référence du Logiciel : 5655-U42

Autorisation d'utilisation sur un ordinateur familial ou portable autre que la machine principale : Vous n'êtes pas autorisé à copier et à utiliser le Logiciel sur une autre machine sans Vous acquitter des redevances de licence additionnelles.

Droits d'utilisation restreinte des Autres Logiciels IBM

Si Vous avez acquis une licence de ce Logiciel dans le cadre d'un autre Logiciel IBM (le "Logiciel Principal") qui répertorie ce Logiciel dans la section "Autres Logiciels IBM", Vous avez reçu ce Logiciel uniquement en support du Logiciel Principal et Vos droits d'utilisation de ce Logiciel sont limités par la licence du Logiciel Principal. Veuillez prendre contact avec Votre ingénieur commercial IBM si Vous souhaitez acquérir une licence distincte de ce Logiciel non limitée par les dispositions de licence du Logiciel Principal.

Environnement Opérationnel Spécifié

Les spécifications du Logiciel et les informations relatives à l'Environnement Opérationnel Spécifié se trouvent dans la documentation fournie avec le Logiciel, le cas échéant, par exemple, un fichier "README" ou dans tout autre document d'information, tel qu'une lettre d'annonce. Vous reconnaissez que ladite documentation et que le contenu d'autres Logiciels puissent n'être rédigés qu'en anglais.

Dispositions spécifiques au Logiciel

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. Program Name: IBM Optim Data Growth Solution for z/OS IBM Optim Data Growth Solution for z/OS - Open Data Manager IBM Optim Test Data Management Solution for z/OS IBM Optim Data Privacy Solution for z/OS IBM Optim Move for DB2 IBM Optim Move for DB2 Data Privacy Option IBM Optim Move for Legacy for z/OS IBM Optim Move for Legacy Data Privacy Option IBM Optim Access for DB2 IBM Optim Compare for Z/OS IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Open Data Manager IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Asset Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Payable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Receivable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Billing Module IBM Optim

Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials General Ledger Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module Canadian Country Extension IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Base Benefits Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Benefits Module Administration Add-on IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - Australia IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - France IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - Hong Kong IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - UK IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Recruit Workforce IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Time and Labor IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Supply Chain Management Inventory Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Supply Chain Management Order Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Project Costing Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Purchase Order Module IBM Optim Data Growth Solution for z.OS for PeopleSoft Enterprise - Financials - Commitment Control Module IBM Optim Data Growth Solution for z.OS for PeopleSoft Enterprise - Human Capital Global Payroll Base Edition IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - United States IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Administration Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Monitoring Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Development Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Organizational Development Module IBM Optim Test Data Management Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Privacy Solution for z/OS for PeopleSoft Enterprise IBM Data Ace IBM Hourglass IBM Version Merger Program Unique Terms ?MIPS? shall mean Millions of Instructions Per Second. The MIPS performance capacity of various machines will be as established by IBM at the time of Program license acquisition. "Additional MIP" means each single MIP beyond the Base Entitlement as set forth in a PoE. The "Base Entitlement" means a license entitlement to run the Program in conjunction with one or more machines or devices (including any form of use or access to the Program via shared devices, shared catalogs or networks) with a total aggregate processing capacity of up to the level set forth in a PoE. A. General Charge Terms. Your use of the Program may not exceed the level of use You have acquired, as indicated in Your PoE. If Your use of the Program exceeds the level indicated in Your PoE, You must notify Your IBM sales representative or IBM Business Partner and purchase an appropriate number of licenses. The Program is available for licensing in accordance with one of the following levels of use: MIPS Based License. You are authorized to use the Program only on all machines,

including any form of use or access to the Program via shared devices, shared catalogs or networks, up to and not exceeding the total MIPS to which You are entitled. All the MIPS associated with each server, machine, and device (including shared catalogs and/or networks) containing or storing data accessible by or to the Program will count toward the MIPS entitlement. Furthermore, any form of use or access via the Program to data or databases by any other means not specifically designated and contracted as part of the initial or subsequent total MIPS entitlement pricing calculations shall be deemed an upgrade to the number of contracted allowable MIPS for which You must pay and acquire additional entitlement. Use restriction / Application. If Your Program is designated as ?for? a specified Application (e.g. Peoplesoft Enterprise), You are authorized to use the Program solely and exclusively with the specified Application . Any use of the Program other than in conjunction with and in support of the specified Application (or any use beyond the scope of Your MIPS entitlement) will be deemed an upgrade for which You must pay and acquire additional entitlements. ***** A Program may be used only for, by and on Your behalf. Use of a Program shall be restricted to Your internal data processing requirements and shall not be used directly or indirectly on a time-sharing, remote job entry, or service bureau basis for the benefit of any third party. You have no right to use the Program for the benefit of any third party, in a manner inconsistent with the provisions of this Agreement, or for any use other than its intended purpose. Compliance Verification- During the term of this Agreement and for two years thereafter, IBM has the right to verify usage data and other information affecting the calculation of charges as well as the right to verify Your compliance with other terms of this Agreement and the PoE, at all sites and for all environments in which You install or use the Program(s). This shall be done during normal business hours and in a manner that minimizes disruption to your business. IBM may use an independent auditor for this.

LIZENZINFORMATION

Für die Lizenzierung der nachfolgend aufgelisteten Programme gelten zusätzlich zu den Bedingungen in Internationale Nutzungsbedingungen für Programmpakete die folgenden Vertragsbedingungen.

Programmname: IBM Hourglass V5.2

Programmnummer: 5655-U42

Berechtigung zur Nutzung auf Heimcomputer/tragbarem Computer: Sie dürfen dieses Programm nicht kopieren und auf einem anderen Computer verwenden, ohne zusätzliche Lizenzgebühren zu zahlen.

Eingeschränkte Nutzungsrechte für andere IBM Programme

Haben Sie dieses Programm als Teil eines anderen IBM Programms ("Hauptprogramm") bezogen und ist dieses Programm dort unter "Andere IBM Programme" aufgelistet, so dient dieses Programm nur zur Unterstützung des Hauptprogramms, und Ihre Rechte zur Nutzung des Programms werden durch die Lizenz des Hauptprogramms eingeschränkt. Wenn Sie eine separate Lizenz für dieses Programm erwerben möchten, die nicht durch die Lizenz des Hauptprogramms eingeschränkt wird, wenden Sie sich bitte an Ihren IBM Vertriebsbeauftragten.

Spezifizierte Einsatzbedingungen

Die Programmspezifikationen und die Angaben zu den spezifizierten Einsatzbedingungen befinden sich in der mit dem Programm gelieferten Dokumentation (sofern verfügbar), wie z. B. in einer Readme-Datei, oder in anderen, von IBM veröffentlichten Informationen, wie z. B. in einer Vertriebsfreigabe. Sie sind damit einverstanden, dass Dokumentationen dieser Art und andere Programminhalte nur in englischer Sprache zur Verfügung gestellt werden.

Programmspezifische Bedingungen

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. Program Name: IBM Optim Data Growth Solution for z/OS IBM Optim Data Growth Solution for z/OS - Open Data Manager IBM Optim Test Data Management Solution for z/OS IBM Optim Data Privacy Solution for z/OS IBM Optim Move for DB2 IBM Optim Move for DB2 Data Privacy Option IBM Optim Move for Legacy for z/OS IBM Optim Move for Legacy Data Privacy Option IBM Optim Access for DB2 IBM Optim Compare for Z/OS IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Open Data Manager IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Asset Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Payable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Receivable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Billing Module IBM Optim

Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials General Ledger Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module Canadian Country Extension IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Base Benefits Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Benefits Module Administration Add-on IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - Australia IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - France IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - Hong Kong IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - UK IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Recruit Workforce IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Time and Labor IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Supply Chain Management Inventory Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Supply Chain Management Order Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Project Costing Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Purchase Order Module IBM Optim Data Growth Solution for z.OS for PeopleSoft Enterprise - Financials - Commitment Control Module IBM Optim Data Growth Solution for z.OS for PeopleSoft Enterprise - Human Capital Global Payroll Base Edition IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Global Payroll - United States IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Administration Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Monitoring Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Workforce Development Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital Organizational Development Module IBM Optim Test Data Management Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Privacy Solution for z/OS for PeopleSoft Enterprise IBM Data Ace IBM Hourglass IBM Version Merger Program Unique Terms ?MIPS? shall mean Millions of Instructions Per Second. The MIPS performance capacity of various machines will be as established by IBM at the time of Program license acquisition. "Additional MIP" means each single MIP beyond the Base Entitlement as set forth in a PoE. The "Base Entitlement" means a license entitlement to run the Program in conjunction with one or more machines or devices (including any form of use or access to the Program via shared devices, shared catalogs or networks) with a total aggregate processing capacity of up to the level set forth in a PoE. A. General Charge Terms. Your use of the Program may not exceed the level of use You have acquired, as indicated in Your PoE. If Your use of the Program exceeds the level indicated in Your PoE, You must notify Your IBM sales representative or IBM Business Partner and purchase an appropriate number of licenses. The Program is available for licensing in accordance with one of the following levels of use: MIPS Based License. You are authorized to use the Program only on all machines,

including any form of use or access to the Program via shared devices, shared catalogs or networks, up to and not exceeding the total MIPS to which You are entitled. All the MIPS associated with each server, machine, and device (including shared catalogs and/or networks) containing or storing data accessible by or to the Program will count toward the MIPS entitlement. Furthermore, any form of use or access via the Program to data or databases by any other means not specifically designated and contracted as part of the initial or subsequent total MIPS entitlement pricing calculations shall be deemed an upgrade to the number of contracted allowable MIPS for which You must pay and acquire additional entitlement. Use restriction / Application. If Your Program is designated as ?for? a specified Application (e.g. Peoplesoft Enterprise), You are authorized to use the Program solely and exclusively with the specified Application . Any use of the Program other than in conjunction with and in support of the specified Application (or any use beyond the scope of Your MIPS entitlement) will be deemed an upgrade for which You must pay and acquire additional entitlements. ***** A Program may be used only for, by and on Your behalf. Use of a Program shall be restricted to Your internal data processing requirements and shall not be used directly or indirectly on a time-sharing, remote job entry, or service bureau basis for the benefit of any third party. You have no right to use the Program for the benefit of any third party, in a manner inconsistent with the provisions of this Agreement, or for any use other than its intended purpose. Compliance Verification- During the term of this Agreement and for two years thereafter, IBM has the right to verify usage data and other information affecting the calculation of charges as well as the right to verify Your compliance with other terms of this Agreement and the PoE, at all sites and for all environments in which You install or use the Program(s). This shall be done during normal business hours and in a manner that minimizes disruption to your business. IBM may use an independent auditor for this.

INFORMAZIONI DI LICENZA

I Programmi descritti di seguito sono forniti in licenza in base alle seguenti disposizioni che integrano quelle di Accordo Internazionale di Licenza di Programmi (IPLA).

Nome Programma: IBM Hourglass V5.2

Numero Programma: 5655-U42

Autorizzazione all'uso su Home Computer/Portatile: Non è possibile copiare ed utilizzare il presente Programma su un altro computer senza il pagamento di un canone aggiuntivo di licenza.

Diritti di Utilizzo Limitato per gli Altri Programmi IBM

Se il licenziatario ha acquisito questo Programma come parte di un altro Programma IBM ("Programma Principale"), la licenza del Programma Principale presenterà questo Programma sotto la voce "Altri Programmi IBM". In tal caso, il licenziatario riceverà tale Programma solo a supporto del Programma Principale e i suoi diritti di utilizzo di questo Programma saranno limitati dalla licenza del Programma Principale. Contattare il proprio rappresentante vendite IBM se si desidera una licenza a parte per questo Programma che non sia limitata dalle clausole di licenza del Programma Principale.

Ambiente operativo specificato

Le informazioni sulle Specifiche del Programma e sull'ambiente operativo specificato sono contenute nella documentazione che accompagna il Programma, se disponibile, ad esempio un file read-me, o in altre informazioni pubblicate da IBM, ad esempio una lettera d'annuncio. Il licenziatario accetta che tale documentazione e altro contenuto del Programma possano essere forniti solo in lingua Inglese.

Disposizioni specifiche relative al Programma

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. Program Name: IBM Optim Data Growth Solution for z/OS IBM Optim Data Growth Solution for z/OS - Open Data Manager IBM Optim Test Data Management Solution for z/OS IBM Optim Data Privacy Solution for z/OS IBM Optim Move for DB2 IBM Optim Move for DB2 Data Privacy Option IBM Optim Move for Legacy for z/OS IBM Optim Move for Legacy Data Privacy Option IBM Optim Access for DB2 IBM Optim Compare for Z/OS IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Open Data Manager IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Asset Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Payable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Receivable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Billing Module IBM Optim

라이선스 정보

아래에 나열된 프로그램은 프로그램 라이선스 계약(IPLA) 외에 다음 조건에 의거하여 라이선스가 부여됩니다.

프로그램 이름: IBM Hourglass V5.2

프로그램 번호: 5655-U42

가정용/휴대용 컴퓨터에 대한 사용 권한: 귀하는 추가 라이선스 비용을 지불해야만 본 프로그램을 추가 기계에 복제 및 사용할 수 있습니다.

기타 IBM 프로그램에 대한 제한 사용(Limited Use) 권리

본 프로그램을 "기타 IBM 프로그램" 항목에 포함시키는 다른 IBM 프로그램("주 프로그램")의 일부로 본 프로그램을 취득한 경우, 귀하는 주 프로그램을 지원하기 위해서만 본 프로그램을 제공받게 되며 본 프로그램을 사용할 수 있는 귀하의 권한은 주 프로그램의 라이선스에 의해 제한됩니다. 주 프로그램의 라이선스 조항에 의해 제한되지 않는 본 프로그램의 별도 라이선스를 취득하기 위해서는 IBM 판매 담당자에게 문의하십시오.

명시된 운영 환경

본 프로그램의 명세 및 명시된 운영 환경 정보는 본 프로그램에 동봉된 문서(예: Read Me 파일)나 IBM의 기타 정보 문서(예: 발표 문서)에서 확인할 수 있습니다. 귀하는 해당 문서 및 기타 프로그램 콘텐츠가 영어로만 제공될 수 있다는 것에 동의합니다.

프로그램 고유 조항

You have no right to use the Program for the benefit of any third party, in a manner inconsistent with the provisions of this Agreement, or for any use other than its intended purpose. Compliance Verification- During the term of this Agreement and for two years thereafter, IBM has the right to verify usage data and other information affecting the calculation of charges as well as the right to verify Your compliance with other terms of this Agreement and the PoE, at all sites and for all environments in which You install or use the Program(s). This shall be done during normal business hours and in a manner that minimizes disruption to your business. IBM may use an independent auditor for this.

INFORMACJE LICENCYJNE

Na Programy wyszczególnione poniżej udzielane są licencje na warunkach, stanowiących uzupełnienie warunków, które zawiera Międzynarodowa Umowa Licencyjna na Program.

Nazwa Programu: IBM Hourglass V5.2

Numer Programu: 5655-U42

Upoważnienie do używania na komputerze domowym/przenośnym: Użytkownik nie może kopiować ani używać tego Programu na innym komputerze, nie uiszczywszy dodatkowych opłat licencyjnych.

Prawa do ograniczonego używania Innych Programów IBM

Jeśli Użytkownik nabył ten Program jako część innego programu IBM (zwanego dalej "Programem Głównym", w którego licencji Program ten będzie wymieniony pod nagłówkiem "Inne Programy IBM"), Użytkownik otrzymuje ten Program jedynie do obsługi Programu Głównego, zaś jego prawo do używania Programu ogranicza licencja na Program Główny. Jeśli Użytkownik chce nabyć oddzielną licencję na ten Program, nieograniczoną warunkami licencji na Program Główny, powinien skontaktować się z przedstawicielem handlowym IBM.

Określone Środowisko Pracy

Specyfikacje dla Programu oraz informacje dotyczące określonego środowiska pracy można znaleźć w dokumentacji dołączonej do Programu, jeśli takowa jest dostępna, takiej jak plik readme lub w innych informacjach opublikowanych przez IBM, na przykład w dokumentach announcement letter. Użytkownik zgadza się, że taka dokumentacja oraz inne treści związane z Programem mogą być dostarczane tylko w języku angielskim.

Warunki specyficzne dla Programów

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. Program Name: IBM Optim Data Growth Solution for z/OS IBM Optim Data Growth Solution for z/OS - Open Data Manager IBM Optim Test Data Management Solution for z/OS IBM Optim Data Privacy Solution for z/OS IBM Optim Move for DB2 IBM Optim Move for DB2 Data Privacy Option IBM Optim Move for Legacy for z/OS IBM Optim Move for Legacy Data Privacy Option IBM Optim Access for DB2 IBM Optim Compare for Z/OS IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Open Data Manager IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Asset Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Payable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Receivable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Billing Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials General Ledger Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Human Capital North American Payroll Module Canadian Country Extension IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise -

The MIPS performance capacity of various machines will be as established by IBM at the time of Program license acquisition. "Additional MIP" means each single MIP beyond the Base Entitlement as set forth in a PoE. The "Base Entitlement" means a license entitlement to run the Program in conjunction with one or more machines or devices (including any form of use or access to the Program via shared devices, shared catalogs or networks) with a total aggregate processing capacity of up to the level set forth in a PoE. A. General Charge Terms. Your use of the Program may not exceed the level of use You have acquired, as indicated in Your PoE. If Your use of the Program exceeds the level indicated in Your PoE, You must notify Your IBM sales representative or IBM Business Partner and purchase an appropriate number of licenses. The Program is available for licensing in accordance with one of the following levels of use: MIPS Based License. You are authorized to use the Program only on all machines, including any form of use or access to the Program via shared devices, shared catalogs or networks, up to and not exceeding the total MIPS to which You are entitled. All the MIPS associated with each server, machine, and device (including shared catalogs and/or networks) containing or storing data accessible by or to the Program will count toward the MIPS entitlement. Furthermore, any form of use or access via the Program to data or databases by any other means not specifically designated and contracted as part of the initial or subsequent total MIPS entitlement pricing calculations shall be deemed an upgrade to the number of contracted allowable MIPS for which You must pay and acquire additional entitlement. Use restriction /Application. If Your Program is designated as ?for? a specified Application (e.g. Peoplesoft Enterprise), You are authorized to use the Program solely and exclusively with the specified Application . Any use of the Program

other than in conjunction with and in support of the specified Application (or any use beyond the scope of Your MIPS entitlement) will be deemed an upgrade for which You must pay and acquire additional entitlements. ***** A Program may be used only for, by and on Your behalf. Use of a Program shall be restricted to Your internal data processing requirements and shall not be used directly or indirectly on a time-sharing, remote job entry, or service bureau basis for the benefit of any third party. You have no right to use the Program for the benefit of any third party, in a manner inconsistent with the provisions of this Agreement, or for any use other than its intended purpose. Compliance Verification- During the term of this Agreement and for two years thereafter, IBM has the right to verify usage data and other information affecting the calculation of charges as well as the right to verify Your compliance with other terms of this Agreement and the PoE, at all sites and for all environments in which You install or use the Program(s). This shall be done during normal business hours and in a manner that minimizes disruption to your business. IBM may use an independent auditor for this.

INFORMAÇÕES SOBRE LICENCIAMENTO

Os Programas abaixo indicados estão licenciados sob/ao abrigo dos seguintes termos e condições além daqueles constantes do Acordo Internacional de Licenciamento do Programa.

Nome do Programa: IBM Hourglass V5.2

Número do Programa: 5655-U42

Autorização para Utilização em Computador Pessoal/Portátil: O Cliente não pode copiar e utilizar este Programa em outro computador sem pagar encargos de licenciamento adicionais.

Direitos de Utilização Limitados para Outros Programas IBM

Se o Cliente adquiriu este Programa como parte de outro Programa IBM ("Programa Principal"), a licença do Programa Principal listará/referirá tal Programa em "Outros Programas IBM". Nesse caso, o Cliente recebeu o referido Programa apenas para dar suporte ao Programa Principal e os seus direitos de utilização estão limitados pela licença do Programa Principal. O Cliente deverá entrar em contato/contacto com o Representante de Vendas IBM para adquirir uma licença separada para tal Programa que não esteja limitada pelos termos da licença do Produto Principal.

Ambiente Operacional/Operativo Especificado

As especificações do programa e a informação especificada do ambiente operacional/operativo podem ser encontradas na documentação que acompanha o programa, se disponíveis, como um arquivo/ficheiro "readme" ou outra informação publicada pela IBM, tal como uma carta de anúncio. O Cliente concorda que tal documentação e outro conteúdo do Programa pode ser fornecido apenas no idioma Inglês.

Termos Exclusivos do Programa

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. Program Name: IBM Optim Data Growth Solution for z/OS IBM Optim Data Growth Solution for z/OS - Open Data Manager IBM Optim Test Data Management Solution for z/OS IBM Optim Data Privacy Solution for z/OS IBM Optim Move for DB2 IBM Optim Move for DB2 Data Privacy Option IBM Optim Move for Legacy for z/OS IBM Optim Move for Legacy Data Privacy Option IBM Optim Access for DB2 IBM Optim Compare for Z/OS IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Open Data Manager IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials - Asset Management Module IBM Optim Data Growth Solution for z/OS for PeopleSoft Enterprise - Financials Accounts Payable Module IBM Optim Data Growth Solution for z/OS for PeopleSoft

INFORMACIÓN SOBRE LICENCIA

Los Programas que se enumeran a continuación son programas bajo licencia sujetos a los siguientes términos y condiciones adicionalmente a los contenidos en el Acuerdo Internacional de Programas Bajo Licencia (IPLA).

Nombre de Programa: IBM Hourglass V5.2

Número de Programa: 5655-U42

Autorización para el Uso en Sistemas Personales/Portátiles: El Cliente no puede copiar ni utilizar este Programa en otro sistema sin efectuar los pagos de una licencia adicional.

Derechos de Uso limitado para Otros Programas IBM

Si el Cliente ha adquirido este Programa como parte de otro Programa IBM ("Programa Principal"), en la licencia del Programa Principal se enumerar este Programa bajo el apartado "Otros Programas IBM". En dicho caso, el Cliente recibir este Programa sólo para dar soporte al Programa Principal y los derechos para el uso de este Programa están limitados por la licencia del Programa Principal. Póngase en contacto con su Representante de Ventas de IBM si desea adquirir una licencia separada de este Programa que no está limitada por los términos de licencia del Programa Principal.

Entorno Operativo Especificado

La información de las especificaciones y el entorno operativo especificado del Programa puede encontrarse en un documento que acompaña el Programa, si está disponible, como por ejemplo, un archivo readme, u otra información publicada por IBM como, por ejemplo, una carta de anuncio. El Cliente acepta que dicha documentación y otros contenidos del Programa puede que sólo se suministren en inglés.

Términos Exclusivos del Programa

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement. LİSANS BİLGİLERİ

Aşağıda listelenen programlar, Uluslararası Program Lisans Sözleşmesi kayıt ve koşullarına ek olarak aşağıdaki kayıt ve koşullar kapsamında lisanslanmıştır.

Program Adı: IBM Hourglass V5.2

Program Numarası: 5655-U42

Evde Kullanım için Yetki/Taşınabilir Bilgisayarda Kullanım için Yetki: Bu Programı, ek lisans ücretlerini ödmeden bir başka bilgisayara kopyalayamayacağınız ve bir başka bilgisayarda kullanamayacağınız anlamındadır.

Diğer IBM Programları için Sınırlı Kullanım Hakları

Bu Programı, "Diğer IBM Programları" kapsamında sınıflandıran başka bir IBM Programı'nın ("Asıl Program") bir bölümü olarak edindiyseniz, bu Programı yalnızca Asıl Programı desteklemek amacıyla almış olursunuz ve Asıl Programın lisansında bu Programı kullanım haklarınız sınırlanır. Bu Programa ilişkin olarak Asıl Programın lisans koşulları tarafından sınırlandırılmayan ayrı bir lisans edinmek istiyorsanız, lütfen IBM Satış Temsilcinizle bağlantı kurun.

Tanımlanmış İşletim Ortamı

Programın belirtileri ve tanımlanmış işletim ortamı bilgileri, Programla birlikte gönderilen, varsa READ-ME dosyası gibi belgelerde veya IBM tarafından yayınlanan duyuru mektubu gibi diğer bilgilere bulunabilir. Bu tür belgelerin ve diğer Programa ilişkin içeriğin yalnızca İngilizce olarak sağlanabileceğini kabul edersiniz.

Programa Özgü Koşullar

In addition to those of the IPLA, the following Programs are also licensed under the following terms and conditions in addition to the International Program License Agreement.
